THE BRIDGE BETWEEN BUYERS AND SELLERS.

International Supply Partners offers trusted, high quality supplies distributed directly from our distribution center, for our clients needing low-quantity on-demand supplies. Shop our most requested and trusted products right from our site.

We provide essential medical supplies and disaster relief equipment to organizations and government agencies throughout the U.S. since 2016.

Since 2016 we have been a trusted source procuring medical devices, ppe supplies, and janitorial supplies from direct manufacturers for businesses and government agencies worldwide. Our team of experts give buyers the ability to access high-quality supplies at competitive pricing with our manufacturers and distribution centers worldwide.

PROTECT EVERYONE.

The coronavirus has been declared as a pandemic by the World Health Organization, as it has spanned 210 countries and regions. Safety measures are being taken place all over the world to detect, isolate, treat, and prevent the spread.

Employers have been advised to prepare their workplace for COVID-19. **Prevention is the key.**

International Supply Partners (ISP) established in 2016, is a Minority Woman-Owned Small Business (MWOSB), based in the Metro Atlanta region. Our team specialists are leading experts in procuring medical and janitorial supplies and equipment worldwide. Our experts have over 50 years, combined in sales, negotiation, and business development, resourcing our clients with high-quality supplies.
